Information disclosure statement by Applicant

Dear Sir or Madam,

In conjunction with my application to enter the national stage in the United States of America on 16 January 2005 please find attached a completed information disclosure form PTO/SB08A.

The GB/2360637/A application is the only relevant material I know of to date additional to that already listed in the PCT search report.

I hope that this paper meets your requirements of format and proper procedure. If there is any more information you require at this stage please do not hesitate to ask.

With grateful thanks for your help in this matter.
